AFAA's Voting Guide for the 2025 NFPA Technical Meeting:

NFPA's 2025 Technical Meeting will be held in person in Las Vegas, next week on June 19th and 20th. This guide is provided to provide AFAA members with details about the voting process.

Click [here](#) for more details about the NFPA Technical Meeting.

The following CAMs (Certified Amending Motions) were reviewed by **AFAA Codes and Standards Committee**. The committee's position to oppose or support is indicated as follows:

<i>Code</i>	<i>CAM ID#</i>	<i>AFAA Position</i>
25	25-3	Support
25	25-10	Support
855	855-21	Oppose

For CAMs not listed here, the AFAA Codes & Standards Committee supports the position of the respective trade associations.

If you have any questions or need additional information, please contact Tim Knisely – AFAA Training Manager at (814) 933-8552 or by email at training@afaa.org.

This document may be updated as needed.
